

As The
Gater
Sees
It....

By FRANK SCHWASS

The Inaugural Ball, State's solemn requiem to the new student body officers and alumni, will be held at the St. Francis on April 30. With all due respect to the musical abilities of the A Capella Choir, tentatively invited to participate, there is a definite school of thought in this institution which believes that their renditions should prove more apt at serious musical conclaves. A feature of the evening is supposed to be the rendition of "Hail To San Francisco State." This ponderous dirge, some feel, is hardly the appropriate theme song for an evening of dance and high wassail. Students like and sponsor those dances which assure them a good time and which leave them with the sense of having spent an evening of relaxation away from the horrors of approaching finals, etc. It is suggested that to make the dance a financial and social success, the committees engaged in the sponsorship thereof offer to the students attending a good swing orchestra, a good location, and a good price. After all, who wants to pay money to go to a wake?

* * *

That haze which will be floating over State at the end of this term's finals will represent over one ton of burned-out protoplasm formerly possessed by local students. The Bureau of Educational Surveys has informed those interested in such phenomena that 2406 pounds of weight were lost last semester by State students because of cramming on their part for the finals. The Bureau goes on to say that the fault lies not so much with the student as with the faculty. Mimeo-graphed copies of the Survey will be distributed to those students desiring an alibi when the paternal heads of their various families raise inignant eye-brows over too-frequent "F's" adorning report cards.

The W.A.A., fragile seekers after The Better Life, will hold another of their popular sports nights tomorrow from 7:30 to 10:30 p. m. General Chairman for the event will be a Miss Babette Lau and she assures everyone that the event is definitely free—but definitely. Some of the games to be played include dropping-the-clothes- pin-into - the-milk-bottle, loop-the-ring - on - the-chair-leg (no relation to the grapefruit and lifesaver game), dart-throwing, milk-tops, and many others. Fun, no end.

* * *

The College Camera Club, candid communers with the art of photography, are sponsoring a camera contest and offering a gold-engraved cup as the Grand Prize. According to the rules of the contest, prints may be made on any subject dealing directly with college activities. Shots of co-eds (candid) are especially solicited. Suggested ideas for snaps eligible for large prizes include the usual print of a tooth-displaying beauty trying to look casual and coy at the same time, the prof. missing an easy toss in a soft-ball game, the large and somewhat bovine football players cutting up as college boys will, and the myopic student crouching over a weighty text in sweet oblivion to the material world.

Washington U. Debates State Today On Campus

U. S. Neutrality
Policy Debated By
Van Houte, Gallagher

State's forensic squad meets the University of Washington today at 1 p. m. in the Activities Room, on the question "Resolved, That the United States should adopt a policy of strict neutrality toward all foreign conflicts." State will be represented by Robert Van Houte and J. Wallace Gallagher, veteran debaters.

The debate will be symposium style, with a period of general discussion afterwards, with questions from the audience. After the debate Jeannette Jennings and her social committee will serve refreshments. There will be no admission charge. All students are urged not only to attend, but to bring their friends.

"This promises to be an extremely interesting and enjoyable debate, between four excellent and experienced speakers," said J. Wallace Gallagher, chairman of the Forensic Council. "This semester we are meeting some stiff competition from the leading colleges of the West, both from the rostrum and over the radio. Our extensive debate program is putting us in fine condition for the Far Western Forensic Tournament at Stockton."

Tomorrow Bob Sigerson and Bob Sweeney, mainstays of the Sophomore squad, meet San Jose State's representatives in the Activities Room on the question of arbitration of industrial disputes. State takes the affirmative side of the question.

PRACTICE TEACHERS ORGANIZED IN C.T.A.

State students enrolled in Education 130 or over, have organized into a junior affiliate of the California Teachers' Organization, a professional group of teachers in California numbering over 50,000 members.

Seven state colleges have organized branches of this California Student Teachers' Association, with the work on this campus led by Doctor Brown, Virginia Gildea, and Bud Decker.

The purpose of the group is to promote professional attitude and ethics on the part of teachers entering the field. To date, more than 300 students have signed application blanks and the first business meeting of the group will be held in Frederic Burk Auditorium next Tuesday, March 29 at four o'clock. All members will be excused from four o'clock classes, and are expected to attend.

Feature speaker will be Dr. Roy Cloud, executive secretary of the California Teachers' Organization; Dr. Sherman Brown and President A. C. Wood also will address the group.

PRESIDENTIAL CANDIDATES DUST HATS IN READINESS FOR RACE

By EDWARD PIERCE

The hats have been tossed in the ring for the presidential race. When the brims have stopped their flip flops, three probable candidates for the time-honored position will hop aboard the well-planked platform and try the Highland Fling around their respective chapeaux. Success of each nominee's high, wide and handsome stepping must be measured by votes.

Each aspirant to the throne will hurl declarations at you and will place assorted vows at your feet. His story says to beware of the silver-tongued orator, who may be full of hot air. Rip up the covering and see if steam escapes. To aid the retiring and unknowing, we present the following studies.

Ed Smith, Co-op soda jerk and "Down in Front" columnist, has had, as have the other candidates, a finger in pretty nearly every pie. Ed is a low senior and is working for an elementary and junior high credential. He came to San Francisco from an Arizona high school and immediately made his presence felt on the State campus. He has played basketball and has shown an interest in tennis. In turn he has held the position of basketball manager, football manager, athletic manager, and representative to the Athletic Council. In connection with the Gater, Ed has assumed the responsibility of sports editor and managing editor. On top of these various activities, he is a Block "S" member.

Norman Zech, San Francisco bred and progeny of a musical family, is one of State's foremost musicians. He is a member of the high junior class and is working for a General High Credential and a Special Secondary Credential in Music. Off the campus he has been extremely active in DeMolay, having worked his way through their many official positions, and having organized various marching units for them. On the campus he has expressed himself principally in the musical field. Norman recently held the position of president of the Music Federation; he organized State's marching band, drilled it and drum majored it; he has been active in making the arrangements for the spring and student-hour concerts, which will soon be presented; and he has had a place on the Strategy Committee with Ed Smith, Will Smith, and Bud Decker. Norman attempted to go out for the tennis team, but pressure of work prevented him from taking the necessary time. Recently he was made chairman of the Internal Relations Committee.

Cliff Worth, member of the low senior class and Liberal Arts major, has been active in many campus committees, particularly dance committees. He has held various positions on the staff of the Golden Gater, including those of managing editor and editor. Cliff is a four year member of Delta Sigma, the debating fraternity, for which he has directed untiring effort. He has belonged to the Forensic Council for four years, and he won the Delta Sigma Award two years ago.

COLLEGE CAMERA CLUB HOLDS CONTEST; PRIZES, CUPS OFFERED

More than five hundred cameras—rugged boxes to sleek Leicas, simple fifty-nine centers to intricate three hundred dollar jobs—are being dusted off by their owners for participation in the 1938 All-College Camera Contest. All Staters (except officers of Camera Club, which sponsors the event) are eligible to compete.

Theater tickets and camera supplies will be awarded to the winners in each of five classes. The best of these will receive an engraved gold cup, presented by the perennial patrons of State activities, the Jenkel Jewelers.

The contest opens today, closes a week from tomorrow.

(See page 4 for complete details.)

FANTASY SELECTIONS FEATURED AT PALACE ON PRODUCTION NIGHT

Original "Character"
Music Broadcast;
Presented April 1

Manuscripts Due For
Student Magazine
On April 1

The Orphic, publication of the College Scribes Club, will resume publication this semester after an absence of two years.

Dorothy Mantell, president of the organization, stated this week that membership in the club is not necessary to submit manuscripts. Any one interested may submit material for the publication.

The manuscripts must be typed if possible; if prose, state number of words, put no name on the manuscripts but attach an envelope with name and post box inside. Manuscripts must be in by Friday, April 1. Any material may be placed in box 291.

Staff includes, Editor-in-Chief, Dorothy Mantell; Associate Editor, Jean Gilleran; Business Manager, Sibyl Hurnig; and Assistant Business Manager, Jean Dolley.

The editorial board which will judge the material submitted is composed of Jean Lynch, Peggy Cleghorn, Henry Glass, Jean Gilleran, and Dorothy Mantell.

A feature of the publication is a contest for freshmen for the best 500 word theme submitted.

Tickets for the Orphic which will be sold for ten cents will be on sale soon.

EX BOARD QUIBBLES ON ABSENT MEMBER PENALTIES AT MEET

By TIM GUINEY

A very confused Executive Board last night attempted to amend the college constitution in regard to attendance of members, and finally succeeded after everyone except Ted Theurer, the college janitor, had had a fling at wording the amendment.

Ed Smith, Athletic Manager, finally succeeded where all else had failed, formulating a coherent statement that met the general approval of the group present.

The basis of the amendment was supplied by Bob Black, High Frosh President, who had previously fathomed the agitation in favor of more stringent attendance requirement of Board members. Under Black's plan, any class or club officer missing three Board meetings will be replaced by the next in line from his group; 30 minutes leeway following the start of the meeting will be afforded members, anyone attending

later than this being recorded "tardy." Two "tardy" marks against a member will be construed as the equal of one absence.

First to attempt the wording of an amendment to the plan was Howard Brubeck, who made a game attempt before admitting his inability to carry on. Undaunted, Ed Smith then decided to have a try, stuttered for three minutes, then collapsed in a heap. George Mirande then stepped up to the plate, struck out on three fast balls, and climbed back to the dugout. After a lengthy period of discussion, Ed Smith regained his composure, and succeeded in the grand finale, singularly and clearly stating his aims and the aim of the group present. The amendment made no provision for officers other than class presidents. Presumably, the former may still be as late or absent as they wish.

EDITORIALS

Editorials and feature articles in the Golden Gater reflect only the writer's opinion. They make no claim to represent student or administration opinion. All unsigned editorials are by the Editor.

A PLAN FOR DEMOCRACY

"We are getting beyond the class stage", stated Bud Decker at a recent Executive Board Meeting. "Can one of you class presidents walk into a class meeting and face a hundred students?", asked Decker of the officers. No one could answer in the affirmative.

Mr. Decker was campaigning for an Executive Council vote for the California Student Teachers Organization, but that problem is not the one we propose to bring up. We feel that the next election should carry a proposition on the ballot which would give the Student Body an opportunity to abolish the outmoded Class system.

There are, at present, nineteen officers voting on the Board. About a third of these are generally absent or so late that they arrive just in time to move for the adjournment. This is the democratic, representative government of State.

Representative is it? Not when class officers are elected by ten to twenty percent of the class they represent. Democratic? Not when this politically-minded minority are given equal voting power with officers elected by the student body at large, not when the Executive Board delegates voting power to non-board members as in the case of the Athletic Manager.

There is a very real reason for the apathy of the students to class meetings. These stratifications of the students are purely artificial. College students have too many interests and too much work to spend time in gregarious gatherings, inspired only by the guff of political aspirants.

It is not our intention to tear down where we have nothing constructive to offer as a substitute. Here is a plan of Government for this college which will prove itself many times as efficient as the present political mess.

Controlling the college should be an Executive Council made up of the president, treasurer, vice-president, secretary and three council members elected by the Associated Student Body, the secretary to have no vote.

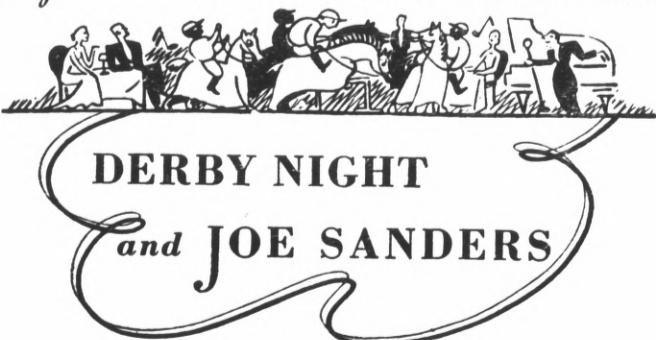

Here would be a small board representing the entire college rather than an agglomeration of club and class presidents.

The problems of the college would be brought before the Board by the representatives of each club. As it is now, the "major" organizations have votes and the "minor" clubs must come humbly before a closed corporation. What better chance for log-rolling and pork-barrel legislation could any board ask? Figure it out. The present board is by and large responsible, legally, only to special organizations; actually, only to political groups.

We offer a system that will give a small, well-organized council a chance to administer the affairs of the college efficiently responsible to the student body—not to clubs and political cliques.

Next Friday we will present an alternative arrangement.

Every THURSDAY—What a Combination!

There's real excitement and loads of fun on Derby Night each Thursday in the Rose Room Bowl. The "Ole Lefty" and his famed Nighthawks make the evening complete—better plan to take it in!

"The News Behind The News"

Now that the squabble over the Low Junior class has been brought into the limelight, we may as well tell you that the class itself was just used as an experiment to find out if there is any possible way of drumming up class spirit around this college.

We are now convinced that there is no way to do so. The Low Juniors were publicized for their failure to follow the constitution in the election of officers, and accordingly reprimanded. A special meeting was immediately called, two notices sent to each member of the class, and another notice inserted in the Golden Gater. Yet, with all this, about 22 people had enough interest to attend the meeting.

Obviously, the class system of representation on the Executive Board has become a farce. Since the same lackadaisical condition seems to exist in practically all of our class elections, it's just about time that the entire system be thrown out.

At the present time, there is a complete lack of balanced representation on the Board. The Music Federation has a vote on the Board, while the Liberal Arts Department has none. The Women's Athletic Association has a vote, while the Block "S" suffers along without one. Now, a Mr. Erwin Decker comes along with the proposal that the California Student Teachers Federation be given a vote on the Board. Just why this organization should be given a vote on the Board we do not profess to know, any more than we can understand why the WAA and the Music Federation should have representation, while the Block "S" and Liberal Arts departments are excluded. To Mr. Decker's proposal for CSTF representation, we would say a very definite "phooey".

AVVISO!

The Italian Club will meet in room 205 tomorrow at 12:10. Among the main topics of business will be the election to office of a secretary and a treasurer for the club. All interested in Italian are urged to come.

EXECUTIVE BOARD NOTES

March 21, 1938

The twenty-third regular meeting of the Executive Board was called to order at 7:35 p. m. The minutes of the previous meeting were approved as read.

COMMUNICATIONS:

1. Sacramento Jr. College.
2. N. Pub. Ass'n. Convention Program.
3. Jenkel Jewelers.
4. Adolph Schmidt—Chairman, City Beautiful Campaign.
5. Robert Aker—resignation of place on A. M. S.
6. Erwin W. Bischoff.
7. Jim Martin.
8. Italian Club Constitution—referred to Constitution Cob.
9. Sigma Alpha Eta Constitution-referred to Con. Com.

COMMITTEES:

A complete financial report was given by Mr. Mirande (attached).

President Smith announced that 3 plans for the proposed Board of Publications amendment will be posted within the next few days in order that Students may read and consider them.

Mr. Zech, chairman of the Deputations Committee, reported a favorable reaction from Mission High School, as a result of the committee's recent visit. Plans for a morning assembly on April 21st have been made, at which time many of the organizations from State will be represented. There is also a possibility of a program at Commerce depending on results of the Mission High assembly.

It was announced that all bids for the Inaugural Ball will be sold at \$1.00 a couple, and that they will go on sale on April 18th.

Great Sport

Skating is a great sport, a fine healthful recreation, but it must be handled carefully. Remember, when your feet are flailing in the air, you may cut someone, or if skating along without looking where you are going and someone falls, you may run over their sprawling fingers. Whips and serpents are very dangerous on the ice, especially among amateurs who cannot handle their feet, let alone indulge in difficult games.

Instruction Given

Father Taasi last week gave group instruction to the crowd in the rudiments of the art. And an art it is, for after watching the pretty little figure skater in the center, I tried the circles and became so dizzy I saw double all afternoon.

Anderson Wounded

Robert Anderson, wounded hero, had three stitches in his eye—stoically borne. Who was the gal in navy blue who fell so often and came up smiling every time? Superfluous remark by Tony Colonico: "This is my first time on skates." Bob Black was quite the Don Juan... as usual.

George Mirande sat several out. Connie James played a floor game. Dan Farmer was a little out of his element. Mr. Cassady put in an appearance... acquitted himself well... I guess he knows now why I sneaked out of his class early.

Hammond reminds me of my mental conception of "Sam, Sam, the dirty man, washed his face in the frying pan."

Reverend Hovland Addresses Bible Class

The Reverend Robert G. Hovland, World War veteran and pastor of the Norwegian Lutheran Church of San Francisco, spoke to the student Agatheans at a meeting last Thursday. He spoke on world affairs, political and economic changes.

Reverend L. L. Legters, of Chambersburg, Pennsylvania, spoke on aspects of Christianity.

The student Agatheans are planning numerous activities for the remainder of the semester.

contact members and to inform them of the constitutional provisions concerning absences, etc.—Miss Berta Bolander, Mr. Johnson, Mr. Black.

Mr. Thorpe reported that first ice skating party was a big success socially, although the plan to collect the admission price (10c) for the following ice skate, in advance, was not carried out as successfully.

A motion was made and seconded that we underwrite the ice skating for this week to the extent of supplementing the funds already collected.

An amendment to the above motion was made and seconded that 10c be charged for each student who enters the rink. Motion and amendment passed.

Mr. Thorpe was appointed to see that provision is made for collecting the 10c.

A motion was made and seconded that the recommendation of the Internal Relations Committee concerning commercial advertising in the college be accepted. Motion passed.

A motion was made and seconded that the "Guild Reporter" (a bulletin as outlined by Mr. Martin) be given a two weeks' trial. Motion passed. Mr. Chamberlin was appointed to act as censor.

A motion was made and seconded that there be an Executive Board party. Motion passed.

A motion was made and seconded that all social affairs not pertaining to the S. B. be discussed at the end of the regular Board meeting. Motion passed.

NEW BUSINESS:

Mr. J. Wallace Gallagher

presented a request for funds to

continue the activities of the Debate

Society for the rest of the term.

(Program and budget on file.)

The Society's appropriations from

the budget had recently been cut in

view of more active organizations,

but due to their renewed and well-

organized program, it was deemed

entirely worthwhile to consider such

a request.

A motion was made and seconded

that, at next Monday's meeting, the

Board consider the appropriation

for the Debate Society of \$94.08.

Motion passed.

Mr. Thorpe requested that the date of the A. M. S. smoker be

changed to April 20th.

This was found to conflict with a W. A. A.

Sport Night which had been sched-

uled and approved at a much earlier

date. A motion was made and sec-

onded that W. A. A. be given pre-

ference on the date, April 20th. Mo-

tion passed.

All members were urged to at-

tend the Soph Hard Times Dance

on Friday, March 25th.

A motion was made and seconded

that a proposed amendment to

the constitution be submitted for ratifi-

cation at the next S. B. election

which provides that the California

Student Teachers' Ass'n. President

be allowed a voting seat on the Ex-

ecutive Board. Motion passed.

The following committee was ap-

pointed to draft the amendment:

Mr. Decker, Tim Guiney, Mr. Ed

Smith, Mr. Johnson, Mr. Zech.

There being no further business,

the meeting was adjourned at 9:45.

Respectfully submitted,

EDITH WHITE, Secretary.

Trackmen Trounce Aggies

Golden Tide Track Squad Beats Mustangs 70-51 As Gaters Take Eleven Firsts

By Ernie Miguel

A bit of good old California climate evidently did the State track team a world of good, the cinder artists trouncing the thin-clads from Cal Aggies 79 1/4 to 51 1/4, making it a clean sweep for the Gaters in four sports Saturday.

State garnered eleven first place positions in the meet, Theofield winning the 220, Collins winning the 440, Richardson the 880, Kline the mile, Leavitt the 2 mile, Hopkins the low hurdle, Theofield the broad jump, Hopkins the high jump, Harkins the pole vault, Pantages the shot, and the relay team of Theofield, Jim Hopkins, Collins, and Lindlow taking first honors in the final event of the day.

Four Way Tie

Seven of the second place positions went to the Golden Tide tracksters, the Mustangs garnering only 6, with State and the Aggies tying for third place with 7 apiece.

The high jump saw a phenomenon that seldom happens to a track team, with four men stopping at six feet even in the high jump, for a four way tie. Hopkins was the only Stater involved in the tie, getting only 2 1/4 points for State in that event, while Jacobsen, Jones, and Ferguson of the Mustangs added a total of 6 1/4 points to the Aggie total.

How They Finished

100—Rhodes (A), Theofield (S), Wilkes (S); time 9.9.

220—Theofield (S), Barnarde (A), J. Hopkins (S); time 21.9.

440—Collins (S), Richardson (S), Barnarde A; time 54.7.

880—Richardson (S), Underhill (A), Groth (A); time 2:14.3.

Mile—Kline (S), Benton (A), Johnson (S); time 4:57.8.

2 Mile—Leavitt (S), Filer (A), Chaffet (S); time 11:19.6.

L. H.—Hopkins (S), Filer (A), Wilkes (S); time 24.6.

H. H.—Frick (A), Hopkins (S), Scarlett (A); time 15.4.

B. J.—Theofield (S), Hopkins (S), Rhodes (A); 223 1/4.

H. J. (Four Way Tie) Hopkins (S), Jacobson (A), Jones (A), Ferguson (A) height 6 feet.

P. V.—Harkness (S), McDonnell (S), Nitto (A); 11 feet, 9 inches.

Shot—Pantages (S), Anderson (A), Stein (S) 45 feet, 3 1/4 inches.

Javelin—Wesfall (A), Frick (A), Hudson (A); 157 feet.

Discus—Seals (A), Stein (S), Frick (A), Hodges (S); 133 feet, 11 inches.

Relay—(State) Theofield, Hopkins, Collin, Lindlow; time 3:52.6.

Intramural Baseball Competition Begins

The crack of bat and ball will resound from the upper field starting this noon when the first intramural baseball game of the 1938 season is played between the Block "S" and Collins' Midgets.

Managers of the various teams will be notified of games a day before their team is scheduled to play. Posters containing a complete schedule is posted outside the co-op, and also in the men's locker room.

WAA Sponsors Sportnight In Gym Wed.

Refreshments, Games Featured; Free To All State Students

By MARGARET SULLIVAN

A full evening of recreation, entertainment, and refreshments free to all State students is promised in the Sportnight scheduled for tomorrow night in the Women's Gym by the Executive Council of the W.A.A. and their assistants.

The affair, the second Sportnight of the semester, starts at 7:30 and will continue till 10:30, featuring recreational games, circle games, progressive games, and refreshments.

Recreational Games

The recreational games, directed by Doug Crary, will include ping pong, badminton, volley ball, and horseshoes. Some of the circle and progressive games, directed by Virginia Kyriazi, will include milk-tops, loop - the - ring - on - the - leg - of - the - chair, dart throwing, drop-clothespins-in-bottles, and several other quaint and amusing games.

Refreshments Served

Refreshments will be served from the corrective room of the gym, including potato chips, olives, punch, and a variety of sandwiches.

All Staters coming to the affair are asked by the Executive Committee to be sure to wear rubber soled shoes and comfortable clothes. Anyone not in tennis shoes will be barred from participating in any of the sports.

Folk Dancing

Folk dancing will be held for the aesthetically inclined, the dances being directed by Dorothy Hart.

The following are the committee chairmen in charge of the various events of the evening: General chairman, Babette Lau; assistant chairman, Eldris Burroughs and Peggy Smith; refreshments, Elizabeth Hickey; recreational games chairman, Douglas Crary; progressive games, Kay True; mixer and circle games, Virginia Kyriazi; and folk dancing, Dorothy Hart.

Nominations

Nominations for the W.A.A. elections are scheduled for Tuesday, April 5, in the Activities' Room. Peggy Smith is in charge of the nominations meeting and is planning social activities, refreshments, and entertainment besides the regular business meeting.

ASSOCIATED MEN STUDENTS NOTICE

Mr. Leo C. Nee will be the guest speaker at the Associated Men Students' Meeting Thursday, March 25th, at the College Little Theatre at 11:15 a.m. Food and music will complete the meeting.

Nine Splits Pair

Golden Gater SPORTS

Crack the Whip!

Golden Tide Squad Takes 15-0 Drubbing In First Tilt; Wins Second 4-3

After being whitewashed 15 to 0 by Fresno State last Friday, the Gater ball team came back to beat the Bulldogs 4 to 3 last Saturday at Robert's Field.

The second contest was marred by a dislocated ankle sustained by Dick Osborne, star centerfielder. Osborne was injured when sliding into second base in the first frame. It is probable that "Ozzie" will be forced to hang up his spikes for the remainder of the season.

In pitching the Gaters to its first major victory, George Mailho chucked steady ball, allowing but five hits, and backed by great fielding of Gater players.

State scored a run in the first and third innings and two in the fourth, gathering six hits from Pitchers Robison and Ashworth. Fresno pushed over a tally in the third inning and two in the sixth, collecting five safeties in all.

In the first game Ollie Soinola, ace Bulldog moundsman, shut out the Gaters, holding them to three hits. His team mates pounded out 15 hits to chalk up 15 scores.

The Bulldogs had big seventh and ninth innings, scoring six runs in each. Marty Martinez started on the mound for State but left the game in the seventh stanza with a nine run deficit. Bill Leahy finished the game for the Gaters, being nicked for six runs and five hits. The Franciscans gave both pitchers loose support, contributing seven errors for the Bulldog cause.

In the two games the Gater sluggers connected for nine hits in 60 times at bat for a very low average of .150. Fresno gathered 20 hits in 72 times to the plate for a higher average of .278.

Golfers Beat Polytechnic Hi

Netters Dump Aggies 9-0

Third Skating Party, Thurs.

San Franciscos first Men's Golf squad won their initial match last Saturday at Ingleside Golf Course when they defeated a four man team from Polytechnic High school four points to two.

Dick Hawkins starred for the State team, winning two and a half points as he toured the 18 in four over perfect figures, 75. Charlie Bowman, the fourth man, was teamed up with Hawkins and together

they defeated the first and second men off Poly. Hawkins was two over on the first nine and would have won all three points if Hans Kellman, Poly Ace, hadn't sunk a thirty-five foot chip for a birdie on the 9th hole. Hawkins took the 10th with a par and maintained the one up lead until the 14th, where he just missed a putt for an eagle two, thus making it two up. The next two holes were halved in pairs and Hawkins and Bowman dropped the 17th as Hawkins' drive found a gopher hole in the ruff. With one down and one to go, the Poly boys tried to catch the steady team of Hawkins and Bowman but saw all their hopes smashed when Dick's second shot split the pin on the 18th green.

The ice-skating fad has hit San Francisco State. Result of it all has been the inauguration of a class in the graceful sport. Above, Tony Tassi leads some of the co-eds in "crack-the-whip." Front to back: Jean Van Arsdale, Thelma Rasted, Anne Brocato, Joan Smith, Dorothy Brand. It's all right just so long as you don't fall down and go boom.

(Courtesy of S. F. News)

Netters Dump Aggies 9-0

Coming to the Palace of Fine Arts courts this afternoon in an attempt to discount the worth of State's one-sided victory over the Cal Aggies Saturday, San Jose State's tennis team takes on the Gaters in the locals' third conference match of the season. The latter have won one victory and been beaten once to date.

A veritable gale swept the courts at Davis, and State's racketeers finished cleaning them by mopping up on the aspiring farmers by a 9-0 score. The latter managed to win only one out of nineteen sets played.

Wind Causes Humor

Time and space are lacking to describe the matches in detail, but suffice it to say that they were really funny, due to the "capriciosities" of the wind. It was a common sight to see a player miss the ball completely, or hit it on the third bounce when he had logically expected to hit it on the first one. The Davisites, having no indoor courts on which to play had very little practice, and did not give Golden Tide much opposition. Most of the matches ended with the losers hav-

ing copped only three or four games. Those turning in victories for State follow: Singles—Jack Witt, Rod Kavanagh, Doug Crary, "Babe" Arlington, Ken Kim, and Joe Sanz; Doubles—Witt and Kavanagh, Arlington and Mitch Nasser, and Kim and Crary.

Hopper Vs. Witt

To get back to today's match—San Jose's number one man, Hopper, is said to be a plenty sweet netster, and is being counted on (by the Spartans!) to trounce State's half-Witt (pardon us—JACK Witt). All we have to say is that, if Hopper is BETTER than they say he is, he might win.

In the meantime, State followers-of-the-game are hoping that Witt will be able to play. There is the possibility that he might not; in that case Rod Kavanagh would have to carry the brunt of the attack. He has not encountered any opposition yet that was too strong in the number two spot, although Cleak of U.S.F. downed him in the first singles two weeks ago, when Witt was unable to play for State.

Sponsored by the Winter Sports Club, State's third ice skating party will be held next Thursday morning from ten until noon in the San Francisco Ice Skating Rink, 48th and Kirkham Streets.

Recently added to the sports program at State, this recreation has been accepted by the student body in a fine manner. At the last affair nearly 200 students were present, while a bigger turnout is expected on Thursday.

To get to the rink students can take either the Municipal N car or the Market Street Number 7 on Haight Street. On the N, students should get off at 48th and Kirkham, and off the 7 at Lincoln Way and 48th.

The club is attempting to extend the time limit beyond twelve o'clock.

This will give students with classes an opportunity to skate longer. The price, as usual, will be ten cents for admission and fifteen cents for

skate rental.

Associated Women Have Busy Program

Two delegates will represent San Francisco State College at the Central California Intercollegiate Conference of Associated Women Students to be held on California Campus this Sunday, March 27. The two girls, Kay Bailey and Victoria Reiger, will go over Saturday and stay at one of the sorority houses. They will attend the full day conference on Sunday.

* * *

On March 31 there will be a Student-Faculty Get-together in Frederic Burk Auditorium from four to six. This is not to be a formal reception but it will be a jolly get-together so the faculty will really get to know the students and the students to know the faculty. Betty Brown is chairman and her plans are in full swing. All the girls are invited.

* * *

Adele Hopper and Gladys Kettling are planning now for the gingham day to be held April 28. All girls will be asked to spring out in spring clothes, wash dresses of some kind. At 12 o'clock Bib 'N Tucker has invited all the girls to a fashion show presenting what is to be worn this summer in the way of washable clothes. At this show the candidates for A.W.S. offices will be introduced.

* * *

On April 8 Virginia Gildea is chairman of the Frederic Burk Open House. Sophomores and all students interested in teaching will be invited to visit during the day and see methods of education being used in progressive schools. At the reception in the afternoon from 3 until 4 all students will be able to meet the supervisors of Frederic Burk and the faculty members of the Education Department.

1938 All-College Camera Contest

Sponsored by
COLLEGE CAMERA CLUB

Rules

Name

Delta Sigma Sponsors Dinner Meeting

With an Italian theme carried out in decorations and refreshments, Delta Sigma Nu held their regular dinner meeting in Room 114, Frederic Burke at five o'clock on Wednesday, March 23.

One of the most important issues discussed at the meeting was the Alumni Breakfast to be held on May first at Pierre's Chateau. Following the dinner and business meeting, members worked on the childrens' dresses which are to be distributed as the club's charitable project this semester.

The next regular meeting, to be held on April 6, will feature a guest speaker from some clothing concern or institute.

State Spanish Club Entertained At Party

Evelyn Marshall, secretary of the Spanish Club of San Francisco State, entertained the members of the group at an informal party in her Presidio home on Friday evening, March 25.

Carrying out a tradition of Los Lazarillos by having a party at the home of an officer each semester, many members of the club and their friends attended the affair. This party is part of an extensive social program which includes a hayride and a dinner to be held later in the semester.

FIRST GUILD RECORDER POSTED ON BULLETIN BOARD BY CHAPTER

Yesterday the first copy of the new publication "Guild Recorder" was posted in several spots around college. This copy was edited by Frank Schwass and Bill Buchan, and the following copies will be edited by other members of the Guild. This paper will be produced every day. Clubs will be given space for any of their news items, and individuals can also submit personal news for publication.

"The Guild Recorder" is sponsored by the San Francisco State Chapter of the American Newspaper Guild and is under the direction of Jim Martin. "We intend to keep this paper on a high stand-

ard, a live and important organ of the student body. The policy will be one of strict adherence to the truth with widespread and close contact with individuals of State. There has been a noticeable movement among journalists and many other students for such a paper for some time past and this is an attempt to satisfy the demand," states Martin.

New members of the Guild are Carol Crouch, Doris MacDonald and Charles Maurer.

The San Francisco State Chapter is the only collegiate organization affiliated with the American Newspaper Guild. Tim Guiney is president of the group.

Residence Club Scene Of Upper-Class Dance

A combined Low Senior and High Junior Class Spring Dance will be held April 2, at the Residence Club, 940 Powell St. All persons officially registered in either of the above classes will be admitted free of charge. All others must pay 75 cents per couple.

At the last meeting of the two classes it was decided that the dance will be semi-formal.

This will be a follow-up on the current Junior Fantasy, "The Character", which will be held in Frederic Burk auditorium Friday night, April 1, at 8:00 p.m.

*Mild ripe tobaccos..and
pure cigarette paper*
.... these Chesterfield
ingredients are the best
a cigarette can have

... the reason they give so many smokers more pleasure... is the full flavor and aroma of mild ripe home-grown and aromatic Turkish tobaccos, blended like no other cigarette.

The Champagne cigarette paper used in making Chesterfields is pure... it burns without taste or odor... it's the best cigarette paper money can buy.

...you'll find MORE PLEASURE in Chesterfield's milder better taste
